CHARLES-TOWN, *November* 7.

On Wedneſday the Twenty-eighth *of laſt Month, his Honour the Lieutenant Governor was pleaſed to make the following* SPEECH *to both Houſes of Aſſembly of this Province.*

Gentlemen of the Council, and Mr. Speaker and Gentlemen

THEIR Excellencies the Lords Juſtices having been pleaſed by their Inſtructions, to point out and direct the Method to be purſued, in order to obtain that Relief and Aſſiſtance which was granted by the Parliament of *Great-Britain*, for the reſettling and re eſtabliſhing the unfortunate Sufferers by the Fire in this Town

In Obedience to their Excellencies Commands, I take this earlieſt Opportunity to recommend to you, to appoint a Committee of the Council and Aſſembly, to enquire into the Loſſes ſuſtained by the Inhabitants of this Province by the late dreadful Fire in *Charles Town*, in which the following Directions are to be obſerved.

1ſt. That each *Sufferer* deliver upon Oath to the ſaid Committee, a Schedule containing an Eſtimate of his or her particular Loſs.

2dly. That the ſaid Committee do examine the ſame, and certify under their Hands and Seals, what they ſhall judge to be the real Loſs of each *Sufferer*.

3dly. That the ſaid Committee do alſo apportion to each *Sufferer* the reſpective Sum to be received by him or her, in order to their re ſettling in this Province, according to the Proportion the Money granted by Parliament bears to the whole Loſs.

4thly That when the Committee ſhall have gone thro' this Enquiry, and certified in Manner above mentioned, each Perſon's particular Loſs, and Proportion to be received by him or her, they do lay the ſame before me with their Report thereupon, in order to be tranſmitted together with Schedules thereunto annexed, under the great Seal of this Province, to the Lords Commiſſioners of his Majeſty's Treaſury, and the Lords Commiſſioners for Trade and Plantation; to the End each particular Perſon, or his or her lawful Attorney or Aſſigns, may receive his or her Proportion, as ſettled by the ſaid Committee, at the Receipt of his Majeſty's Exchequer, or otherwiſe as ſhall be directed.

Mr Speaker and Gentlemen,

As I am deſirous to improve every Opportunity in endeavouring to provide for the Welfare and Security of the Province, I cannot forbear expreſſing the Concern I have for the Protection of our Trade, 'till the Arrival of thoſe Ships of War which his Majeſty has been pleaſed to order order to be ſtationed here for that good End and Purpoſe. Therefore I recommend this Affair to your Conſideration, to make Proviſion in the mean Time, that ſuch Meaſures may be taken as are moſt likely to diſappoint the Deſigns and Attempts of our Enemies, in endeavouring to take the Veſſels trading to this Province.

Gentlemn of the Council, and Mr. Speaker and Gentlemen,

I ſhall order the Preſentment of the Grand Jury to be laid before you, that you may conſider the Grievances and other Matters therein mentioned, and prepare ſuch Laws to be paſſed as ſhall be thought neceſſary to remedy the ſame; and I do aſſure you, that I ſhall always endeavour to redreſs any Grievances, as far as it lies in my Power, that ſhall come within my Knowledge or Obſervation.

WILLIAM BULL.

To the Honourable WILLIAM BULL, *Eſq; Lieutenant Governor and Commander in Chief, in and over his Majeſty's Province of* South-Carolina.

The humble ADDRESS of the Commons Houſe of Aſſembly.

And are filled with Gratitude for your Honour's Concern on Account of the late unhappy Sufferers by Fire in *Charles Town*, in convening us at this Time, to concert, in Conjunction with his Majeſty's Honourable Council, on the moſt ſpeedy and effectual Meaſures for the Diſtribution of his Majeſty's moſt gracious and bounteous Charity for their Relief, in Purſuance of their Excellencies the Lords Juſtices Inſtructions to your Honour, which we conceive to be ſo wiſely and prudently calculated for that Purpoſe, as to prevent the ſame from any Abuſe or Impoſition.

We cannot but alſo thank your Honour for the Concern you ſhew for the Protection of our Trade, and the other Grievances referred to in your Honour's Speech, which you recommend to be remedied; all which we ſhall in due Time take under proper Conſideration. And having had ſuch long Experience of your Honour's aſſiduous Zeal for the Welfare of this Province, we cannot be under any long Suſpence in concluding on ſuch Points, which are well known to be of publick Utility, by being your Honour's Care and Concern.

October 28*th*, 1741.

By a Letter from a Gentleman at *Wilmington* in *North-Carolina*, dated 27th of *October* laſt, we have Advice, that Capt. *Sherburn* in a ſmall Schooner from *Boſton* for this Place, (who ſail'd the beginning of *October*) was taken on the 17th of the ſame Month, off *Bog-Iſles* near *White oak*, by a *Spaniſh* Privateer Schooner with 80 Men. Capt. *Sherburn* and three of his Men have eſcaped on Shore.

The Commons Houſe of Aſſembly for this Province is adjourn'd to the Firſt Tueſday in *December* next.

Extract

Extract of a Letter from a Gentleman of the best Authority in *Providence*, dated the 20th of *October* last.

MY last Letters from Jamaica *were dated the 26th of* September, *when Admiral* VERNON *was in* Cumberland *Bay on* Cuba, *and the Troops encamp'd waiting for Orders from* England: *Capt* William Cleland *had taken a* Spanish *Man of War of* 30 *Guns and* 220 *Men, which Prize is computed worth from* 40 *to* 50,000 *£. Sterling.*

Last Monday arrived here Capt. *Tucker* from *Providence* who gives us the following Information, that on the 16th of *October* his Excellency Governor TINKER receiv'd Advice, of the *Spaniards* having actually landed at and taken Poſſeſſion of *Andro's* Iſland, one of the *Bahama's*; at four o'Clock the ſame Afternoon his Excellency gave Orders for fitting out two good Sloops, in order to cruiſe off the ſaid Iſland, and at 12 at Night they were both compleatly fitted, mann'd with 30 Men each, and ſail'd on a Cruiſe, That Capt. *Norton*, (in the *Rhode-Iſland* Privateer which engag'd a *Spaniard* (and left him) off this Place, not long ago) was arrived at *Providence* from a Cruiſe, and had taken off *Cuba* a Privateer, which has in her Cruiſes on this Coaſt and that of *Virginia* taken FORTY *Engliſh* Veſſels, one of which, a Brigt. he has re taken, and ſent to *Rhode-Iſland* with the Privateer, laden with a vaſt Quantity of Bale Goods, being the Cargo of a Ship Capt. *Norton* found a ſhore on the Iſle of *Cuba* aforeſaid, which was another of this *Spaniard's* Prizes, and had been taken off *Virginia*, for which Place ſhe was bound from *London*. That Capt. *Sikes*, in a Schooner belonging to this Place, was chas'd back to *Providence*, as he was going from that Place for *Crooked Iſland*, by a *Spaniſh* whole Galley with upwards of 100 Men on board, and which doubtleſs is coming to ſecure our Trade and guard this Coaſt, &c.

We hear, that the Privateer taken by Capt *Norton*, is the ſame Sloop, which lately took Capt *Lightwood* of this Place, and Capt. *Clack* and a *Plymouth* Ship for *Virginia*.

By Capt. *Legall* from *Frederica* we hear, that the Party of *Indians* lately ſent out towards *Auguſtine* by the General, were return'd, and brought with them two *Spaniards* and the Scalp of another.

We hear that the *Beaufort*, the Government's Half-Galley, is now finiſh'd and fit for Sea Service; but we do not yet hear when ſhe is to ſail on a Cruiſe.

LONDON, *Auguſt* 18.

On Sunday the Servants of Mont. de Buſſy. the French Miniſter here, embark'd on board a Ship in the River for France. His Excellency's Baggage was put on board on Saturday laſt, which makes it believ'd that Miniſter will not return again to England.
